

SUGAVANESWARAN R

OBJECTIVE

A highly motivated B.Sc. Computer Science graduate with a strong passion for technology and innovation. I possess a good understanding of computer systems, data handling, and process management. Seeking an entry-level opportunity in non-voice operations to apply my technical and analytical skills effectively. I am adaptable, quick to learn, and committed to delivering quality work with accuracy. I value teamwork, continuous learning, and professional growth. My goal is to contribute positively to the organization while building a successful career.
